WELDEN SPRING WATER

Water from Welden Spring, St. Albans, Vermont, which has proved highly efficacious in scrofula, Cancer, and all diseases of the skin, and also for Dyspepsia, Kidney and Liver Complaints, General Debility, &c., &c. is now for sale, at wholesale and retail, at 218 Washington Street, where looks may be obtained containing an analysis of the Water, with certificates from physicians and others, testifying to its beneficial effects in numerous cases where it has been tried.

DEAR SIR: I write to acknowledge the benefit I have received from the Welden Spring Water. I have been troubled with Disease of the Kidneys for many years. I have consulted some of the best physicians in the country and received no relief. Some few months since I was recommended to try the Welden Spring Water. I had not taken it long before I was surprised to find how much it had done for me. Since then I always keep it in my room and seldom drink any other water, knowing eventually it will cure me. As I am anxious that others should be benefited by my experience, I cheerfully recommend it to all suffering with the same disease. Respectfully, J. J. MAY.

[From Francis B. Dixon, Esq., Counselor at Law and Average Adjuster, Boston.]

-17 MERCHANTS EXCHANGE. Boston, October 3, 1868.

E. S. GOODWIN.

DEAR SIR: I cheerfully comply with your request to give my candid opinion of the merits of the Welden Spring Water. For some years I have suffered much from Dyspepsia, and having exhausted patent medicines and the prescriptions of many physicians, I was advised to try the Welden Spring Water. I found by taking a glass of the water before meals it acts as a tonic and general regulator of the system, and enables me to eat any kind of food without inconvenience. The only evidence I can give of my appreciation of its virtues is a recommendation to every one suffering from Dyspepsia to try it.

Yours truly, FRANK B. DIXON.
